

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

MARC ANDERSON, et al.,
Plaintiffs,
v.
SEAWORLD PARKS AND
ENTERTAINMENT, INC.,
Defendant.

Case No. [15-cv-02172-JSW](#)

**ORDER TO PLAINTIFFS TO SHOW
CAUSE WHY DOCUMENTS
IDENTIFIED AS CONFIDENTIAL RE
MOTION IN LIMINE TO EXCLUDE
VISSER TESTIMONY SHOULD BE
MAINTAINED UNDER SEAL**

Re: Dkt. Nos. 303, 344

On June 7, 2019, Defendant filed a motion in limine to exclude the expert testimony of Dr. Ingrid N. Visser, and filed an administrative motion to file portions of its motion and the exhibits in support thereof under seal. (Dkt. No. 303.) On July 19, 2019, Defendants filed their reply and another administrative motion to seal. (Dkt. No. 344.) According to Defendant's motions to seal, certain materials were designated Confidential by Plaintiffs and/or Dr. Visser, although some of the materials also contain information that Defendant designated as confidential.

Neither Plaintiffs nor Dr. Visser have filed a declaration pursuant to Northern District Civil Local Rule 79-5 in response to Defendant's motions. Accordingly, by no later than August 23, 2019, Plaintiffs and Dr. Visser shall file declarations demonstrating why the documents they have designated as confidential should be maintained under seal. If Plaintiffs and Dr. Visser do not submit declarations by that date, the Court will rule on the motions based solely on the information presented by Defendant.

IT IS SO ORDERED.

Dated: August 13, 2019

JEFFREY S. WHITE
United States District Judge
